

Event Search

Welcome to [GT All Sports!](#)

This document explains the features available to search events. It then explains about comments, replies to comments, attaching photos, and attaching video links to a viewed event.

1. Event searches:

- a. Can be made with or without a log in.
- b. Comments or additional information cannot be made to a viewed event without being logged in.
- c. [Login](#) or [Sign Up](#) now for your free membership.
- d. Go to [GT All Sports](#) site.
- e. Click on main tab "[EVENTS](#)".
- f. The more criteria added, narrows your search and limits your results.
- g. The main two fields recommended used for searching are **DATE RANGE** and **ZIP CODE RADIUS**.
- h. To obtain more specific results most people will add the **GROUP CATEGORY** and then choose one or multiple groups under **EVENT CATEGORY**.
- i. Results including all groups chosen are then displayed with a button "[SHOW SEARCH](#)" to return and adjust your search.
- j. Be sure to remove fields you do not want on secondary searches.
- k. Connect with others listed on the event by clicking on their listed links.

2. Adding your submissions to Event:

- a. Comments: (Need to be logged in to submit)
 - i. Submit a comment inside the "Your Comment" box
- b. Replies: (Need to be logged in to submit)
 - i. Others signed in may reply to your comment
 - ii. Replies selection within a original comments allows adding your reply, images, video links, and if you want email notification when further replies are made to same original comment.
- c. Event Image Upload: (Need to be logged in to submit)
 - i. Add up to 10 photos per Posting.

- ii. Have more to add, then do multiple postings.
- d. Video Embed Code: (Need to be logged in to submit)
 - i. Enter a video Embed Code inside box.
 - ii. Hit “[Add More Video Embed Codes](#)” for up to 10 video links per posting
 - iii. Have more to add, then do multiple postings
- e. Get Reply Email Notification:
 - i. Click on “[] Yes or [] No” depending if you want to be notified if someone makes a reply to your comment.
